THANK YOU, DAVID

We are sad to say that David Chong will be leaving the Board. Work requirements preclude him from continuing. As Treasurer, David was instrumental in organizing our membership list and seeing to it that funds were available and well spent.

As a former employee at the Bay, David was able to clarify questions we had regarding operations and staff. We wish you the best David and hope to stay in touch.

It's Not a Park ... It's a Nature Preserve

We are looking for a volunteer or volunteers to help us in two areas:

1. To develop and maintain our website and social media activities
2. Coordinate community activities such as clean ups and presentations

As a volunteer you would work closely with our Board of Directors but would not have to be a member of the Board.

Or, if you would like to join the Board and join us in our interesting and challenging work of helping to protect and preserve the nature preserve ...

If you have an interest in helping or any questions email

WE HELPED

Earlier this year, the Friends made a contribution to the Trust for Public Land to help with the purchase of land near the Ka'iwi Coastline. The Trust was successful in raising enough money to buy the land and protect the important natural area from development. Read more at:

On November 10 the Trust held a thank you dinner at the Waiialae Country Club for those who helped. We attended. The Friends were glad to have helped protect some of O'ahu's most beautiful scenery.
